Webinar

13 Feb 2025

12:00pm AEDT

Join the Flare Cars team for a 30-minute session to find out how you can **find, save, drive and benefit from your next car purchase**, whether it be a new, used or even an existing vehicle.

You'll learn how your dedicated Flare Cars consultant can assist in finding the car you want, compare prices, arrange test drives, and liaise with dealerships - so you don't have to. We'll also cover changes to FBT on plug-in hybrid vehicles coming in from April 1.
